Your institution's electronic submission for the update/renewal of its Federalwide Assurance Southern Illinois University School of Medicine has been approved by the Office for Human Research Protections (OHRP). The expiration date for your FWA renewal is 10/2/2012 11:20:25 AM. You will find this approval listed on our website at <http://ohrp.cit.nih.gov/search/search.aspx> <<http://ohrp.cit.nih.gov/search/>>. Funding agencies use this website to verify that an institution holds an active OHRP-approved FWA.

Whenever information provided to OHRP changes for your institution's FWA, you must submit an update/renewal. You may do this electronically by going to the OHRP Electronic Submission System at <http://ohrp.cit.nih.gov/efile/>. Your FWA must be renewed at least every 3 years.

When an electronic submission is processed, an automatically generated e-mail notifies the Human Protections Administrator and Signatory Official, as well as the person submitting the electronic record, that the FWA document has been approved. This, of course, is dependent upon the electronic file submitted to OHRP providing e-mail addresses as requested.

Sincerely,

Division of Policy and Assurances
Office for Human Research Protections
