

## Borrowing Materials Through the I-Share VuFind Catalog

- Materials available from I-Share libraries should be requested directly by the library user through the I-Share catalog. SIUSM Library will return all such requests to the requester.
- It is the responsibility of the library user to request and renew materials as needed.
- If the material is not found at an [I-Share library](#), please submit an Interlibrary Loan request form at <http://www.siumed.edu/lib/forms/loanbook.html>

Check the SIUSM catalog (<http://library.ilcoo.illinois.edu/sim>) to see if the material is owned locally. If it is, the book must be borrowed onsite. Online requesting is not available.

If the book is **not owned** by the SIUSM Library, click on **Repeat search in the I-Share catalog**.
