Teaching

Southern Illinois University School of Medicine

Undergraduate Required Courses

Boundaries and Boundary Violations in Psychotherapy
Human Growth and Development

Graduate Seminars

Spirituality and Cultural Competence in Family and Community Medicine
(Required Graduate Course)
Religion, Spirituality and Psychiatric Practice (Required Graduate Course)
Psychotherapeutic Boundaries and Boundary Violations
(Required Graduate Course)

Undergraduate Electives

Integrating the Professional & Personal Identities of the Physician
Knowing Your Patient as a Person
Personal and Professional Growth Through Patient Encounters
Religion, Spirituality, and Healthcare
Hospice and Psychosocial/Religious Issues at the End of Life
Psychiatry and Ethics
Medical Missions: Provides opportunities for students to practice medicine with a faith based organization
Theory and Techniques of Family Systems Therapy

Major Undergraduate Lectures

Psychosocial Issues Related to Withdrawing and Withholding Treatment at the End-of-Life
Physician-Patient Communication
Introduction to Developmental Theories
Family Life Cycle
Theories of Freud, Erikson, Mahler, Piaget
Developmental Issues of Midlife

Undergraduate Seminars

The Medical Significance of Religion and Spirituality (Required)
The Dying Child: Trains students to provide medical care that is sensitive to the
Psycho-social-spiritual needs of dying children and their families (Required)
Sexuality in the Physician-Patient Relationship (Required)
Remedial Ethics Seminar for Ethically Impaired Students
Medicine and Behavior Clinical Review Seminar (Required)
Panel Chair: Impaired Physician-Patient Relationship (Required)

Graduate Seminars

Psychiatry and Film: Examines cinematic portrayal of important psychiatric topics, such
as countertransference, therapeutic boundaries, spirituality, and culture (Required Graduate
Course)
Psychoanalytic Psychotherapy Seminar (Required Graduate Course)
Personality Development Seminar (Required Graduate Course)
Psychotherapy Supervision (Required Graduate Course)

Emory University Candler School of Theology

Conflict and Mediation
Directed Studies: Advanced Topics in Pastoral Care
Direction of Doctor of Ministry Research Projects
Introduction to Pastoral Care
Pastoral Care of Families
Supervised Ministry

Georgia Baptist Medical Center Psychotherapy Training Program

Psychoanalytic Psychotherapy, Theory and Techniques
Integrating Theology and Therapy
Self Psychology of Heinz Kohut
Case Formulation and Treatment Planning
Supervision of Pastoral Counseling
