

CURRICULUM VITAE

LANIE E. EAGLETON, M.D.

PERSONAL INFORMATION

Work Address	Postal address	Southern Illinois University School of Medicine Division of Pulmonary and Critical Care Medicine P.O. Box 19636 Springfield, IL 62794-9636
	Physical Address	Southern Illinois University School of Medicine Division of Pulmonary and Critical Care Medicine 701 North First Street, Room D434 Springfield, Illinois 62702
	Clinic Address	Southern Illinois University School of Medicine Pulmonary Medicine Clinic 751 North Rutledge Street Springfield, IL 62702

EDUCATION

06/01/59		East Richland High School Olney, Illinois
06/09/63	B.A.	Hamilton College Clinton, N.Y.
06/15/67	M.D.	Harvard University School of Medicine Boston, Mass.

POST GRADUATE TRAINING

1967-68	Intern in Medicine University of Virginia Hospitals Charlottesville, VA
1968-70	Assistant Resident in Medicine University of Virginia Hospitals Charlottesville, VA
1972-74	Resident Chest Service Bellevue Hospital, NY

PROFESSIONAL BACKGROUND

Medical Licensure	State of Illinois
Certification	National Board of Medical Examiners Diplomate (#95189) 07-01-68

PROFESSIONAL BACKGROUND - continued

	American Board of Internal Medicine (#34660) 1) Qualifying Exam Cert 10-10-70 2) Diplomate in Internal Medicine 10-15-74 3) Diplomate in Subspecialty of Pulmonary Disease 10-15-74 4) Diplomate in Subspecialty of Critical Care 1987
Military Status	Surgeon Reserve Corps Public Health Service, U.S. Department of Health, Education and Welfare Appointed Asst. Surgeon 11-13-67 Active Duty Surgeon 06-30-70 Honorable Inactivation 06-30-72 Serial #30011
Societies & Associations	National Honor Society 05-20-58 Phi Beta Kappa 01-01-63 Nassau County Medical Soc 09-24-74 American Medical Assn 09-24-74 American College of Physicians American College of Chest Physicians American Thoracic Society American Sleep Disorders Assn Member Executive Board and Asst Treasurer 1978-1995 ALA of Illinois Illinois Lung Assn Delegate at Large, Lincoln Land Lung Assn 1977 to present Chairman of Nomination Committee of ATS 1984 President, ALA of Illinois 1989-1991
Academic Appointments	Teaching Assistant University of Virginia Charlottesville, VA 1968-70 Teaching Assistant New York University School of Medicine New York, NY 1972-74 Instructor in Medicine New York University School of Medicine New York, NY 1974-76 Assistant Professor and Chief Division of Pulmonary Medicine Department of Medicine

Academic Appointments - continued

SIU School of Medicine
Springfield, IL 1976-80

Associate Professor and Chief
1980-98

Professor and Chief
1998

Professor
1999

Clinical Professor
1999-present

Clinical Appointments

Bellevue Hospital, New York, NY
Clinical Assistant Attending
Physician 1974

Manhattan VA Hospital
New York, NY
Attending Physician 1974

New York Infirmity, New York, NY
Assistant Attending Physician
Chief, Pulmonary Disease &
Respiratory Therapy 1975

Memorial Medical Center
Chief of Pulmonary Division &
Medical Director of
Respiratory Therapy
1976-present

St. John's Hospital
Associate Staff
1976-present

Cystic Fibrosis Care Center Affiliate Program
Director
1981-present

RESEARCH PROJECTS AND FUNDING

Co-Investigator: "Manifestations of Sleep Apnea in Diabetics". Principal Investigator: Joseph Q. Henkle, M.D. Funding: American Lung Association of DuPage and McHenry Counties; 1988; \$7,000.

Co-Investigator: "Comparison of Oral Cefpodoxime Proxetil and in the Treatment of Acute Exacerbation of Chronic Obstructive Pulmonary Disease (COPD) in Adult Patients". Principal Investigator: Joseph Q. Henkle, M.D.; Funding: Upjohn; 1990; \$45,112.

Co-Investigator: "A Multicenter, Double-Blind, Placebo-Controlled Phase II Study of the Effects of rhIGF-I in Malnourished Ventilator-Dependent Patients". Principal Investigator: Joseph Q. Henkle, M.D. Funding: Genentech, Inc.; 1991; \$110,000.

Principal Investigator: "Azithromycin Respiratory Infection Study (ARIS)". Funding: Medical and Technical Research Associates (MRTA); 1991; \$6,200.

Co-Investigator: "Molecular Genetics of Aspergillus Pathogenicity". Principal Investigator: Peter T. Borgia, Ph.D.; Funding: American Lung Association of Illinois; 1992-1994; \$24,000.

Principal Investigator: "Support of Pulmonary Fellowship Research". Funding: Memorial Medical Center Foundation; 1994-1997; \$32,602.

Co-Investigator: "The Relationship between Changes in FEV1.0 and Peak Flow Rate and Changes in Airway Obstruction in Patients with Asthma." Principal Investigator: Carl Lawyer, MD.; Funding: Forest Labs; 1995; equipment.

Co-Investigator: "Treatment of Active Histoplasmosis with GM-CSF Combined with Itraconazole vs Placebo with Itraconazole." Principal Investigator: Carl Lawyer, MD.; Funding: Immunex; \$2,500 per patient.

Principal Investigator: Epidemiologic Study of Cystic Fibrosis: A Multicenter, Longitudinal Follow-Up Study of Patients with Cystic Fibrosis for Monitoring Pulmonary Function, Pulmonary Exacerbations, and Safety of Long-Term Treatment with Pulmozyme® (dornase alfa)". Funding: Genentech, Inc.: 1994 -1997; \$175 per patient per year; 1997-2002; \$100 per patient per year.

Co-Investigator: "The Relationship of Respiratory Autonomic Dysfunction to HLA-DR3/4 Phenotype in Type I Diabetics." Principal Investigator: Patricia Hopkins-Price, PhD.; Funding: Southern Illinois University School of Medicine Central Research Committee; 1995; \$2,500.

Principal Investigator: "A Prospective, Randomized, Comparative Study of Ciprofloxacin and Clarithromycin for the Treatment of Acute Exacerbations of Chronic Bronchitis." Funding: Bayer, Corporation; 1997; \$300 per patient.

Principal Investigator: "The Role of Education and Intervention Strategies in Cost Containment in Patients with Chronic Obstructive Pulmonary Disease". Project within "Patient Outcomes in Primary Care Settings and Their Relationship with Educational Interventions." Principal Investigators: David E. Steward, M.D. and Beth Dawson, Ph.D.; Funding: SIU – Excellence in Academic Medicine, 1997 – 1998; \$14,000 of \$40,150.

Principal Investigator: "Multicenter, Open-Label, Study of Clarithromycin for the Treatment of Mild to Moderate Acute Exacerbation on Chronic Bronchitis (Phase IV)." Funding: Abbott; 1998; \$100 per patient.

Principal Investigator: "A Prospective, Randomized, Controlled, Multi-Center Clinical Trial of Ciprofloxacin 500mg BID for 10 days versus Cefuroxime Axetil 250mg BID for 10 Days for the Treatment of Patients with Acute Sinusitis." Funding: Bayer Corporation, 12/15/97 – 12/15/98. \$300 per patient.

RESEARCH PROJECTS AND FUNDING - continued

Co-Investigator: "A Phase 3, Multicenter, Randomized, Double-Blind, Placebo-Controlled, Parallel Group Study to Evaluate the Safety and Efficacy of 12 Weeks of 2 Oral Doses (200mg and 400mg Once Daily) of PROVIGIL® (Modafinil) as Treatment for Adults with Excessive Daytime Sleepiness Associated with Obstructive Sleep Apnea/Hypopnea Syndrome Followed by a 12-Month Open-Label Extension; Study No. C1538a/303/US-UK". Principal Investigator: Joseph Q. Henkle, M.D. Funding: Cephalon Corporation, 03/10/00 - ongoing. \$12,312.50 per patient.

Co-Investigator: "A Randomized, Double-Blind, Placebo-Controlled, Parallel Study of the Efficacy and Safety of (S) - Zopiclone in the Treatment of Adult Subjects with Primary Insomnia Followed by Optional Open-Label Chronic Dosing for up to One Year, Version 3.0, dated 28 February 2001; Study No. 190-046". Principal Investigator: Joseph Q. Henkle, M.D. Funding: Sepracor, Incorporated, 04/20/01-12/14/01. \$12,355 per patient.

Co-Investigator: "A Prospective, Multicenter Study of the Anemia of Critical Illness and Transfusion in the Critically Ill Patient (Protocol PR00-15-010)". Principal Investigator: Elamin M. Elamin, MD. Funding: Ortho Biotech, Inc.; 2000; \$4,000.

Co-Investigator: "A Phase 3, Multicenter, Randomized, Double-Blind, Placebo-Controlled, Parallel Group Study to Evaluate the Safety and Efficacy of 12 Weeks of 2 Oral Doses (200 mg and 400 mg Once Daily) of PROVIGIL® (Modafinil) as Treatment for Adults with Excessive Daytime Sleepiness Associated with Obstructive Sleep Apnea/Hypopnea Syndrome Followed by a 12-Month Open-Label Extension; Study No. C1538a/303/US-UK"; Principal Investigator: Joseph Q. Henkle, M.D.; Funding: Cephalon Corporation; 2000; \$12,312.50 per patient.

Co-Investigator: "A Randomized, Double-Blind, Placebo-Controlled, Parallel Study of the Efficacy and Safety of (S)-Zopiclone in the Treatment of Adult Subjects with Primary Insomnia Followed by Optional Open-Label Chronic Dosing for up to One Year, Version 3.0, dated 28 February 2001; Study No. 190-046"; Principal Investigator: Joseph Q. Henkle, M.D.; Funding: Sepracor, Incorporated; 2001; \$12,355 per patient.

Co-Investigator: "Actimmune Safe and Appropriate Use Program (ASAP®) Registry". Principal Investigator: M. Haitham Bakir, M.D. Funding: InterMune, Inc.; 2002; \$3,200.

Co-Investigator: "A Double Blind, Placebo Controlled, Parallel Multi-Center Study On Extended VTE Prophylaxis In Acutely Ill Medical Patients With Prolonged Immobilization Protocol XRP4563C/3501 ("EXCLAIM")"; Principal Investigator: Elamin M. Elamin, MD; Funding: Aventis; 2002; \$42,880.

Principal Investigator: "Epidemiologic Study of Cystic Fibrosis: A Multicenter, Longitudinal Follow-Up Study of Patients with Cystic Fibrosis for Monitoring Pulmonary Function, Pulmonary Exacerbations, and Safety of Long-Term Treatment with Pulmozyme® (dornase alfa)"; Funding: Genentech, Inc.; 2003; \$100 per patient.

Co-Investigator: "A comparison of ipratropium bromide/salbutamol delivered by the Respimat® inhaler to ipratropium bromide Respimat®, COMBIVENT® Inhalation Aerosol and Placebo of each formulation in a 12-week, double-blind, safety and efficacy study in adults with chronic obstructive pulmonary disease." (Protocol No. 1012.46); Principal Investigator: Joseph Q. Henkle, M.D.; Funding: Boehringer Ingelheim Pharmaceuticals, Inc.: 2003; \$10,000 per patient.

Co-Investigator: "An Epidemiologic Study of Xolair® (Omalizumab): Evaluating Clinical Effectiveness And Long-Term Safety In Patients With Moderate to Severe Asthma" (EXCELS) (Protocol Q2948g); Principal Investigator: Joseph Q. Henkle, MD; Funding: Genentech, Inc.

Co-Investigator: "Evaluation of the Long-Term Efficacy and Safety of Zolpidem-MR 12.5-mg Compared to Placebo, when Both Are Administered over a Long-Term Period "as Needed", in Patients with Chronic Primary Insomnia. (A Randomized, Double-Blind, Placebo-Controlled, Parallel Group, Multicentre, Phase IIIb Clinical Study). (LTE5407: "ZOLONG") Principal Investigator: Joseph Q. Henkle, M.D.; Funding: Sanofi-Aventis, Inc., 2004

RESEARCH PROJECTS AND FUNDING - continued

Co-Investigator: "A Randomized, Double-Blind, Parallel-Group, 52-week Study to Compare the Effect of the Fluticasone Propionate/Salmeterol DISKUS Combination Product 250/50mcg BID with Salmeterol DISKUS 50mcg BID on the Annual Rate of Moderate/Severe Exacerbations in Subjects with Chronic Obstructive Pulmonary Disease (COPD)". (Protocol SCO100250) Principal Investigator: Joseph Q. Henkle, M.D.; Funding: GlaxoSmithKline, 2005

Co- Investigator: "A prospective observational study for the psychometric validation of a patient-reported questionnaire in acute exacerbation of chronic obstructive pulmonary disease (AECOPD) (Protocol #:OPL 104226)" SCRIHS # 05-151; Principal Investigator: Joseph Q. Henkle, MD; Funding: GlaxoSmithKline, 2006

Co- Investigator: "Psychometric Validation of a Subject-Administered Questionnaire to Assess Cough and Sputum in Patients with COPD Associated with Chronic Bronchitis and Chronic Bronchitis (Not Obstructed)." (Cough and Sputum Validation Study PROTOCOL NO.:1219.2) SCRIHS # 06-017; Principal Investigator: Joseph Q. Henkle, MD; Funding: Boehringer Ingelheim, 2006

"A randomized, double-blind, placebo-controlled, 6-week, cross-over study to examine the effects of tiotropium (Spiriva® HandiHaler®, 18 µg once daily) on lung dynamic hyperinflation and physical exercise endurance in patients with early stage Chronic Obstructive Pulmonary Disease (COPD) 10 December 2009" (Protocol 205.440); Principal Investigator: Joseph Q. Henkle, MD; Funding: Boehringer Ingelheim Pharmaceuticals, Inc., 2010

PUBLICATION & RESEARCH
