

CURRICULUM VITAE

PETER WHITE, M.D.

CURRENT APPOINTMENT

Professor of Clinical Medicine
Southern Illinois University School of Medicine
Division of Pulmonary and Critical Care Medicine

Work Address

Postal address

Southern Illinois University School of Medicine
P.O. Box 19636
Springfield, IL 62794-9636

Physical Address

701 North First Street, Room D434
Springfield, Illinois 62702

Clinic Address

Southern Illinois University School of Medicine
Pulmonary Medicine Clinic
751 North Rutledge Street
Springfield, IL 62794-9652

EDUCATION AND TRAINING

- 9/1977-5/1981 Bachelor of Arts, cum laude, Kenyon College, Gambier, Ohio
- 9/1982-5/1986 Doctor of Medicine, University of Pennsylvania School of Medicine, Philadelphia, Pennsylvania
- 7/1986-6/1987 Internal Medicine Intern, Johns Hopkins Hospital, Baltimore, Maryland
- 7/1987-6/1989 Internal Medicine Resident, Johns Hopkins Hospital, Baltimore, Maryland
- 7/1989-9/1992 Postdoctoral Fellow, Department of Medicine, Division of Pulmonary and Critical Care Medicine, Johns Hopkins University School of Medicine, Baltimore, Maryland

PROFESSIONAL EXPERIENCE

- 10/1992-7/1993 Instructor, Department of Medicine, Division of Pulmonary and Critical Medicine, Johns Hopkins University School of Medicine, Baltimore, Maryland
- 7/1993-7/1998 Assistant Professor of Medicine, Department of Medicine, Division of Pulmonary and Critical Care Medicine, Johns Hopkins University School of Medicine, Baltimore, Maryland
- 7/1995-7/1998 Assistant Professor of Oncology, Johns Hopkins University School of Medicine, Baltimore, Maryland

White, P

8/1998-11/1998	Assistant Professor of Medicine, Division of Pulmonary and Critical Care Medicine, University of Arkansas for Medical Sciences, Little Rock, Arkansas
12/1998-6/2006	Associate Professor of Medicine, Division of Pulmonary and Critical Care Medicine, University of Arkansas for Medical Sciences, Little Rock, Arkansas
8/1999– 1/2002	Medical Director of Respiratory Care Services and Director of Arterial Blood Gas Laboratory, University of Arkansas for Medical Sciences, Little Rock, Arkansas
9/1999-5/2006	Credentials Committee member, University of Arkansas for Medical Sciences, Little Rock, Arkansas
12/2001- 2/2004	Protocol Review and Monitoring Committee member, Arkansas Cancer Research Center, University of Arkansas for Medical Sciences, Little Rock, Arkansas
1/2002–5/2006	Pulmonary/CCM Fellowship Program Director, University of Arkansas for Medical Sciences, Little Rock, Arkansas
6/2002–6/2006	Medical Director for the Surgical Oncology Clinic, Arkansas Cancer Research Center, Little Rock, Arkansas
6/2002 - 6/2003	Graduate Medical Education Appeals Board member, University of Arkansas for Medical Sciences, Little Rock, Arkansas
10/2002–6/2006	Arkansas Cancer Research Center Leadership Committee member, Arkansas Cancer Research Center, Little Rock, Arkansas
5/2003- 5/2006	American Thoracic Society Council of Chapter Representative for Arkansas.
12/2004	Graduate Medical Education Committee's Internal Review Panel for Developmental/Behavioral Pediatrics program
3/2006 - 7/2006	Professor of Medicine, Department of Medicine, Division of Pulmonary and Critical Care Medicine, University of Arkansas for Medical Sciences, Little Rock, Arkansas
7/1/2006 - present	Professor of Clinical Medicine. Southern Illinois University School of Medicine, Division of Pulmonary Medicine, Springfield, IL
7/1/2006 - present	Medical Director of the Intensive Care Unit, Memorial Medical Center, Springfield, IL
7/1/2006 - present	Critical Care Committee member, Memorial Medical Center, Springfield, IL
7/1/2006 - present	Clinical Performance Committee member, Memorial Medical Center, Springfield, IL

White, P

2/1/2007 - present Medical Executive Committee member, Memorial Medical Center,
Springfield, IL

HOSPITAL AFFILIATION

10/1992-7/1998 The Johns Hopkins Hospital
600 N. Wolfe Street
Baltimore, Maryland 21287

10/1992-7/1998 The Johns Hopkins Bayview Medical Center
5501 Hopkins Bayview Circle
Baltimore, Maryland 21224

8/1998-6/2006 The University Hospital of Arkansas
4301 West Markham
Little Rock, Arkansas 72205-7199

8/1998-6/2006 John L. McClellan Memorial Veterans Hospital
4300 West 7th Street
Little Rock, Arkansas 72205-5484

7/1/2006 - present Memorial Medical Center
701 North First Street
Springfield, IL 62781

7/1/2006 - present Saint John's Hospital
800 East Carpenter Street
Springfield, IL 62769

CERTIFICATION

Medical License: Illinois #: 36116042
Arkansas #: E-1928
Maryland (inactive) #: D36775

American Board of Internal Medicine (candidate #: 125493):
Internal Medicine: certified 9/1989 – valid indefinitely.
Pulmonary Disease: certified 11/1992, recertified 11/2001;
valid through 12/31/2012.
Critical Care Medicine: certified 11/1993, recertified 11/2001;
valid through 12/31/2013.

PROFESSIONAL ACTIVITIES

American Thoracic Society

White, P

HONORS/AWARDS

1994-1995	Clinical Fellows Teaching Award, Johns Hopkins University School of Medicine, Division of Pulmonary and Critical Care Medicine, Baltimore, MD
1998-1999	Red Sash Award, University of Arkansas for Medical Sciences, Little Rock, AR
12/2000	Member of VA Lung Cancer Alert Team – Work Unit of the Month McClellan Memorial Veterans Hospital, Little Rock, AR
2002-2003	Red Sash Award, University of Arkansas for Medical Sciences, Little Rock, AR
2004-2005	Red Sash Award, University of Arkansas for Medical Sciences, Little Rock, AR
2006-2007	Best Subspecialist Faculty Teacher of the Year Award, Department of Internal Medicine, Southern Illinois University School of Medicine, Springfield, IL

GRANT SUPPORT

1990-91	National Research Service Award, "Effects of hypoxia on pulmonary vascular permeability," NHLBI HL 08327.
1991-92	American Lung Association Fellowship Award

CLINICAL TRIALS

Altana. Effect of roflumilast on exacerbation rate in patients with chronic obstructive pulmonary disease. A 52 week double blind multicenter study with 500 mcg roflumilast once daily versus placebo. Sub-Investigator; 2004-2005; \$108,864

AstraZeneca Pharmaceuticals. A placebo-controlled comparison of the efficacy and safety of the current U.S. version of Pulmicort (Budesonide) Turbuhaler and the new version of Pulmicort Turbuhaler in asthmatic adults currently treated with inhaled steroids. Sub-Investigator; 2002-2003; \$60,000

Boehringer Ingelheim Pharmaceuticals. A randomized, double-blind, crossover study to investigate the efficacy and safety of 24 weeks of oral treatment with BIIL284 BS in adult and pediatric cystic fibrosis. Sub-Investigator; 2003-2004; \$100,554

Boehringer Ingelheim Pharmaceuticals. A randomized, double-blind, crossover, placebo and active controlled, dose-confirmation study of Combivent HFA inhalation aerosol in patients with COPD. Sub-Investigator; 2000-2001

Cystic Fibrosis Foundation. A multicenter, randomized, placebo-controlled, double-blinded trial of azithromycin in patients with CF, chronically infected with pseudomonas aeruginosa. Sub-Investigator; 2000-2001

Genetech. Epidemiologic study of cystic fibrosis: a multicenter, longitudinal follow-up study of patients with cystic fibrosis for monitoring pulmonary function, pulmonary

exacerbations, and the safety of long-term treatment with Pulmozyme (dormase alfa, recombinant) inhalation solution. Sub-Investigator; 2003-2007; \$16,500

Glaxo Wellcome. A multicenter, randomized, double-blind, double-dummy, parallel group, 8 week comparison of salmeterol xinafoate versus salmeterol xinafoate plus ipratropium bromide versus placebo in subjects with chronic obstructive pulmonary disease. Sub-Investigator; 2000-2001

Glaxo Wellcome. A randomized, double-blind, parallel group, comparative trial of salmeterol/fluticasone propionate combination product 50/100 mcg DISKUS inhaler BID vs. Fluticasone propionate 250 mcg DISKUS inhaler BID in adolescents and adults with moderate persistent asthma. Principle Investigator; June 2000; \$51,000

GlaxoSmithKline Pharmaceuticals. A Multi-Center, Randomized, Double-Blind, Double-Dummy, Parallel Group, 16-Week Comparison of Asthma Control in Adolescents and Adults Receiving Either Fluticasone Propionate/Salmeterol DISKUS Combination Product 100/50mcg BID, Fluticasone Propionate DISKUS 100mcg BID, Salmeterol Xinafoate DISKUS 50mcg BID, or Oral Montelukast 10mg QD. Sub-Investigator; October, 2001; \$42,000

GlaxoSmithKline Pharmaceuticals. A Randomized, Double-Blind, Double-Dummy, Parallel-Group, Comparative Clinical Trial Evaluating Fluticasone Propionate/Salmeterol Xinafoate (250/50 mcg BID via DISKUS) to Ipratropium Bromide/Albuterol Sulfate (36mcg/206mcg QID) Inhalation Aerosol in Subjects with Chronic Obstructive Pulmonary Disease (COPD). Sub-Investigator; 2001-2002

GlaxoSmithKline Pharmaceuticals. A Multi-Center, Randomized, Double-Blind, Double-Dummy, Parallel-Group Comparison Of Salmeterol Xinafoate Inhalation Aerosol Versus Ipratropium Bromide and Albuterol Sulfate Inhalation Aerosol in Subjects with Chronic Obstructive Pulmonary Disease. Sub-Investigator; 2001

GlaxoSmithKline Pharmaceuticals/PRA. A Phase I/II Study of Interferon Gamma-1B By Inhalation For The Treatment Of Patients With Cystic Fibrosis. Sub-Investigator; October, 2001; \$43,500

Hoffman LaRoche. A multicenter, randomized, double-blind placebo-controlled Phase 2a dose response study of the safety, and tolerability, of two doses of RO3300074 given for 4 weeks to patients with moderate to severe symptomatic emphysema. Sub-Investigator; 2003-2004; \$84,030

InterMune, Inc. A Double-Blind, Double-Dummy, Randomized, Placebo- and Active-Controlled, Multicenter, Parallel-Group Study of (R,R)-Formoterol in the Treatment of Subjects with Chronic Obstructive Pulmonary Disease. Sub-Investigator; November 2001; \$30,815

InterMune, Inc. A Phase I/II Study Of Interferon Gamma-1B By Inhalation For The Treatment of Patients With Cystic Fibrosis. Sub-Investigator; 2001-2002; \$31,813

Novartis Pharmaceuticals. A randomized, multicenter, placebo-controlled parallel group study of four months duration per patient to evaluate the safety and efficacy of treatment with 24 ug b.i.d. and 12 ug b.i.d. formoterol, double-blind, and 12 ug b.i.d. formoterol with additional on-demand formoterol doses, open-label, in adolescent and adult patients with persistent stable asthma. Sub-Investigator; 2002-2004; \$101,460

Novartis Pharmaceuticals. Sub-Investigator, April 2002, \$35,000.

Ortho-Biotech, Inc. Efficacy of rHuEPO in the critically ill patient: a randomized double-blind, placebo controlled trial. Sub-Investigator; 2000-2001

Schering-Plough Research Institute. Efficacy and safety study of mometasone furoate dry powder inhaler in the treatment of patients with chronic obstructive pulmonary disease. Sub-Investigator; 2000-2001

Sepracor, Inc./PharmaResearch. A Double-Blind, Double-Dummy, Randomized, Placebo- and Active-Controlled, Multicenter, Parallel-Group Study of (R,R)-Formoterol in the Treatment

White, P

of Subjects with Chronic Obstructive Pulmonary Disease. Sub-Investigator; 2002-2005; \$104,097

Sepracor, Inc./PharmaResearch. A randomized, multicenter, placebo-controlled parallel group study of four months duration per patient to evaluate the safety and efficacy of treatment with 24 ug b.i.d. and 12 ug b.i.d. formoterol, double-blind, and 12 ug b.i.d. formoterol with additional on-demand formoterol doses, open-label, in adolescent and adult patients with persistent stable asthma. Sub-Investigator; March, 2002; \$104,097
