

DEPARTMENT OF INTERNAL MEDICINE
MEDICAL GRAND ROUNDS

*Visiting Professor
Division of Cardiology*

*“The STEMI Revolution:
The Ottawa Experience”*

Michel Le May, M.D.
*Director, Coronary Care Unit
Director, STEMI Program
Professor, Division of Cardiology
University of Ottawa Heart Institute
Ottawa, Canada*

Learning Objectives: At the conclusion of this activity, attendees will be able to:

- 1. Recognize that standardization is key to a successful STEMI system.*
- 2. Recognize that EMS plays a critical role in any STEMI system.*
- 3. Monitoring one's own data leads to improved clinical outcomes in managing STEMI patients.*

8:00 a.m.

Bunn Auditorium

St. John's Hospital

Sponsorship

This activity has been planned and implemented in accordance with the Essentials and Standards of the Accreditation Council for Continuing Medical Education through SIU School of Medicine. The SIU School of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

Credit

The SIU School of Medicine designates this educational activity for a maximum of *1 AMA PRA Category 1 Credit™*. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Unapproved Uses of Drugs/Devices

In accordance with the Accreditation Council for Continuing Medical Education Standards for Commercial Support, the audience is advised that information presented in this continuing medical education activity may contain references to unlabeled or unapproved uses of drugs or devices. (Please refer to the FDA approved package insert for each drug/device for full prescribing/utilization information.) The ACCME requires that faculty disclose when he/she intend to discuss off-label uses in a presentation.

Faculty Disclosures: All faculty participating in CME activities are expected to disclose to the audience any real or apparent commercial financial affiliations related to the content of their presentations/materials. In addition, faculty are expected to disclose any intent to discuss the off-label uses of any drugs or devices. *Dr. Le May states he has nothing to disclose.*
