

Southern Illinois University School of Medicine Springfield, Illinois

The Office of Public Affairs is the public information and media contact for the School of Medicine. All media must be escorted during their visits to our facilities and all interview requests are scheduled by the office staff.

The School of Medicine has offices, research labs and clinical facilities in more than twenty locations in Springfield. Most administrative/research interviews are at (F) 801 N. Rutledge (park on the north side of building and come in side door by the flagpole). Many physician/patient interviews are at the (D) SIU Clinics in the Moy Building (751 N. Rutledge St.) across from Memorial Medical Center, or (Q) Carol Jo Vecchie (415 N. 9th St.) or (R) Pavilion (301 N. 8th St.) at St. John's Hospital.
