

# **POLICY STUDENT WORK HOURS DURING ELECTIVE COURSEWORK**

*This policy shall apply to all Electives taken during Year Three and Year Four.*

During an elective, students will not spend on average more than eighty (80) hours per week in required clinical and educational activities.

Required activities include, but are not limited to, formal didactic teaching, hospital rounds and activities, out-patient clinic attendance, in-house and at home call, and attendance at examinations. Required activities do not include personal study time or optional educational experiences.
