

# HONORS

- Student must satisfactorily pass 2 of the 3 end of clerkship clinical exams.
- Student must receive overall “Excellent” on clinical and noncognitive skills. “Excellent” is 5s on the Final Clerkship Evaluation Form.
- Student must score an 80 or above on NBME to be considered for Honors.
- Any unsatisfactory evaluation, early concern note or any unprofessional behavior may preclude a student from receiving Honors. This is at the Clerkship Director’s discretion.
