

EXPECTATIONS OF STUDENTS WITH MENTORS

All students are required to meet with their assigned mentor a minimum of 3 times during the psychiatry clerkship. The first meeting should occur prior to the midterm. Your mentor will review your required H&P write up.

- ❖ Review Clerkship Core Skill and Knowledge and Attitude Learning Objectives and note Facilitation/Resource column that applies to mentors and discuss with mentors accordingly.
- ❖ Mentor will serve as contact/liaison. Mentors will assess your progress and will address any issues/problems you may have.
- ❖ Mentor will teach and review the MSE and MMSE with you.
- ❖ History taking for psychiatric patients will be discussed.
- ❖ Treatment planning.
- ❖ Biopsychosocial approach.
- ❖ Discuss psychopharm – see Learning Objectives #'s 17 – 23.
- ❖ Any questions you have about patients and/or topics related to your clinical experience.
