

Southern Illinois University School of Medicine

Department of Psychiatry

Southern Illinois University School of Medicine Assistant Professor of Clinical Psychiatry SMS 1628

The Department of Psychiatry of Southern Illinois University School of Medicine is seeking to hire a full-time faculty member to fill the position of Assistant Professor of Clinical Psychiatry.

The incumbent will conduct forensic evaluations and consult in the management of the forensic inpatient units at McFarland Mental Health Center, as well as perform forensic and clinical work in the SIU Adult Outpatient Clinic. Incumbent will also provide educational training and supervision of psychiatry residents, medical students and allied health professionals in both settings, as well as participate in research functions related to specialty interest and expertise.

Qualified individuals must have an M.D. or D.O. degree, must have completed four years of approved residency training in psychiatry and be board certified/eligible in both general and child and adolescent psychiatry, as well as eligible for licensure in the State of Illinois. This position has been designated as security sensitive and employment is contingent upon the result of a criminal background investigation. The closing date is May 31, 2006 or until filled. SIU School of Medicine is an EO/AA employer.
