

Southern Illinois University School of Medicine

Department of Psychiatry

Southern Illinois University School of Medicine Assistant/Associate Professor of Clinical Psychiatry SMS 1715

The Department of Psychiatry of Southern Illinois University School of Medicine is seeking to hire a full-time faculty member to fill the position of Assistant/Associate Professor of Clinical Psychiatry. The incumbent of the position will serve as Medical Director for Chester Mental Health Center in Chester, Illinois. The position is also responsible for instruction of students, residents and other allied health professionals as well as participation in clinical and research services, including the re-establishment of a forensic psychiatry fellowship.

Qualified applicants must have completed four years of AOA or ACGME approved postgraduate training with specialization in psychiatry and an ACGME accredited forensic psychiatry fellowship, must be board certified in general and forensic psychiatry and must be eligible for licensure as an M.D. or D.O. in the State of Illinois and substantial experience directing an academic medical service. This position has been designated as security sensitive and employment is contingent upon the result of a criminal background investigation. SIU SOM is an EEOC employer. Deadline for receipt of applications will be March 23, 2007 or until filled.
