

Southern Illinois University School of Medicine

Department of Psychiatry

Southern Illinois University School of Medicine **Assistant Professor of Clinical Psychiatry SMS 1836 and 1721 (2 positions)**

The SIU Department of Psychiatry is seeking to hire a child psychiatrist to provide clinical leadership and assist in the development of a new children's psychiatric hospital. This position will be at the Assistant Professor of Clinical Psychiatry level and will serve as a Unit Director. The incumbent will be responsible for instructional activities to students, residents, fellows and allied health professionals and for service and research functions related to specialty interest and expertise.

The SIU Department of Psychiatry is a dynamic expanding organization dedicated to excellence in clinical service and teaching. We have a steadily expanding research effort and offer competitive salaries with a great benefits package. Springfield is the state capitol of Illinois. Recreational and cultural activities abound in this lovely mid-sized town with big city amenities. Qualified applicants will have an M.D. or D.O. degree must have completed four years of approved residency training in general and child and adolescent psychiatry must be board eligible or certified in general and child and adolescent psychiatry and be eligible for licensure in the State of Illinois. This position has been designated as security sensitive and employment is contingent upon the result of a criminal background investigation. SIU SOM is an EEOC employer. Deadline for receipt of applications is July 31, 2007 or until filled.
