

Ezzeldin A. Saleh, M.B.B.S.

Office Address: Southern Illinois University School of Medicine
Division of Pediatric Infectious Diseases
Department of Pediatrics
301 North Eight Street
Springfield, IL 62794

Telephone: (217) 545-8000 - Office

Fax: (217) 545-7847

Professional Education

Oct 1995 : M.B.B.S., Faculty of Medicine University of Khartoum, Khartoum, Sudan

2000- 2003 : Pediatric Residency, Penn State Children's Hospital, Milton Hershey Medical Center, Hershey, Pennsylvania

Sept 2014 : Diploma in Clinical and Translational Science, Mayo Clinic Center for Clinical and Translational Science (CCaTS), Mayo Clinic, Rochester, Minnesota

2013 - 2014 : Advanced Research Training in Pediatric Infectious Diseases, Duke University School of Medicine, Durham, North Carolina

2014 - 2017 : Pediatric Infectious Diseases Fellowship, Duke University School of Medicine, Durham, North Carolina

Certification:

Jul 1997 : Part I of the MRCP-Pediatrics (Membership of the Royal College of Physicians), London, UK

Sep 1999 : ECFMG Certification

Oct 2004 : American Board of Pediatrics

Dec 2014 : American Board of Pediatrics – Recertification

Medical Licensure:

- 2003 : Pennsylvania State Board of Medicine
- 2003 : Louisiana State Board of Medical Examiners
- 2008 : Wisconsin Medical Examining Board
- 2012 : North Carolina Medical Board

Work Experience:

- 1996-1998 : House officer, Khartoum Teaching Hospital, Khartoum, Sudan
- 2003- 2007 : Pediatrician, Kid-Med East Clinic, Denham Springs, Louisiana.
- 2008- 2013 : Pediatrician, Franciscan Healthcare-Mayo Clinic Health System, Department of Pediatrics, La Crosse, Wisconsin.

Research Experience:

- Jan1998- Jun1998 : Research assistant, University of Khartoum, Department of Pediatrics. Khartoum, Sudan. Elimination of Measles from East Africa. Collaborative research project: Institute of Endemic Diseases, Khartoum, Sudan, Pasteur Institute, Lyon, France; Erasmus University Hospital, Rotterdam, the Netherlands. Supervised by Prof. Salah Ahmed Ibrahim
- Jan 2011- Apr 2013: Principal Investigator, Improving appropriate antibiotics prescribing for pediatric outpatients at Franciscan-Mayo Clinic Health System. Co-investigator and mentor: Ritu Banerjee, MD, PhD. Division of Pediatric Infectious Diseases. Mayo Clinic, Rochester, MN. This project was supported by Mayo Clinic Health System Research Committee's System-Oriented and Applied Research (SOAR) grant

Awards:

- 2011 : Mayo Clinic Health System Research Committee's System-Oriented and Applied Research (SOAR) grant
- 2014 : NIAID/IDSA Infectious Diseases Research Careers Meeting 2014 Travel Award

Professional Society Memberships:

- 2000- Present : Fellow, American Academy of Pediatrics
- 2008- Present : Co-founder, Board of Trustees Vice-Chair and immediate Past President:
Sudanese American Medical Association
- 2009 - 2014 : American Heart Association, PALS Instructor
- 2013- Present : Pediatric Infectious Diseases Society
- 2016- Present : Society for Pediatric Research (SPR) Junior Section

Professional Workshops and courses:

- Aug 2008 : Career and Leadership Development program: CALD Module IB, Presentation Skills. Mayo Clinic, Rochester, MN
- Mar 2010 : Mayo Clinic Young Investigators Research Symposium. Rochester, MN
- May 2010 : Publishing research and reflective writing in pediatric medical Education. Pediatric Academic Societies Annual Meeting, Vancouver, BC, Canada
- June 2010 : Partners in research workshop: Communities and researchers Improving Health through Community-Based Participatory Research, Rochester, MN
- Aug 2013 : Responsible Conduct of Research & Mentoring series. Duke University Medical Center, Durham, NC
- Oct 2013 : Writing from the Reader's Perspective- Gopen Writing Seminar. Presented by George D. Gopen, JD, PhD, Professor of the Practice of Rhetoric, Department of English. Duke University Medical Center, Durham, NC
- Jul 2014 : Advanced Course in Immunology. American Association of Immunologists, Boston, MA
- Sep 2014 : Duke Histopathology of Infectious Diseases Workshop. Duke University Medical Center, Durham, NC
- Feb 2015 : Duke Office of Clinical Research/Graduate Medical Education - 2014 Resident Research Course: Building a Research Foundation. Duke University Medical Center, Durham, NC
- Jan- May 2015: Design of clinical Research Studies, University of North Carolina, Department of Epidemiology, Chapel Hill, NC
- Feb 2015 : HIV/AIDS course/Pediatric Infectious Diseases transplant course St. Jude/Pediatric Infectious Diseases Society Conference 2015, Memphis, TN

- June 2015 : Duke 1st Annual Transplant Infectious Diseases Symposium, Duke University, Durham, NC
- Nov 2015 : Clinical Vaccinology Course, National Foundation for Infectious Diseases, Bethesda, MD
- Oct 2016 : Duke Global Health Institute Symposium, Duke University Medical Center, Durham, NC

Mentorship and Teaching:

- Supervision of medical students and Pediatric residents during Pediatric Infectious Diseases rotation, Duke University Medical Center, July 2013- June 2017
- Preceptor for Family Medicine residents- La Crosse-Mayo Family Medicine Residency. La Crosse, WI. From Jan 2008 to Apr 2013
