

# Medical Aid In Dying

Department of Medical Humanities and  
Compassion and Choices

Present

An Evening of Learning and Discussion

With

**Dr. David Grube**

*National Medical Director for Compassion &  
Choices*

*David R. Grube, M.D., retired after 35 years practicing family medicine in rural Oregon, will share his personal, professional and clinical experience with implementation of Oregon's now twenty-year-old Death with Dignity Act, including writing prescriptions for patients and integrating medical aid in dying into hospice care. He will also discuss the ethics of end-of-life care from the perspective of patients, health care professionals, and health care organizations.*

**October 17<sup>th</sup> at 5:30 pm**

South Auditorium, SIU School of Medicine  
801 N. Rutledge Avenue, Springfield Illinois  
Light Refreshments will be provided
