

## **OVERSIGHT AND COMPLIANCE**

Department/division chairs and unit administrators are responsible for overseeing compliance with the industry relations policies among faculty, staff, and learners assigned to their departments and units. The Dean and Provost (or designate) will monitor compliance at the institutional level. Noncompliance may be addressed through education and professional development; existing disciplinary policies and procedures may be utilized, as warranted.

*Approved by the SIU School of Medicine Executive Committee and the Dean and Provost on December 12, 2016.*
