Training and Using Standardized Patients
For Teaching and Assessment

**Monday, April 24, 2017**

- **8:15 am** Registration/Continental Breakfast
- **8:30 am** Welcome, Introductions, Overview
- **9:00 am** Logistics for Immersion Experiences
- **9:15 am** Immersion #1: Being a Student
- **10:45 am** Discussion/Debriefing
- **11:00 am** Standardized Patient Use: Past, Present, and Future
- **12:00 pm** LUNCH
- **1:00 pm** The Physician’s Perspective
- **1:30 pm** Immersion #2: Training for an SP Role
- **2:45 pm** Training Physical Findings in Standardized Patients
- **3:45 pm** Blueprinting the Workshop Exam
- **4:30 pm** Adjourn
- **6:00 pm** Workshop Dinner

**Tuesday, April 25, 2017**

- **8:30 am** SP Case Tune-Up
- **9:00 am** Immersion #3: Being an SP
- **10:00 am** The Student Perspective
- **10:45 am** Debriefing Immersion #3: Insights for Training
- **11:15 am** Training: Overview, Presentation & History
- **12:00 pm** LUNCH
- **1:00 pm** Getting Ready to Train
- **1:45 pm** Training Veteran Simulators
- **2:45 pm** Training Novice Simulators
- **3:30 pm** Debriefing Trainings & Transition to Case Development
- **4:00 pm** Discuss Cases in Teams
- **4:30 pm** Adjourn
Wednesday, April 26, 2017

8:30 am  Developing Cases: Case Blueprints, SP Training Notes, Data Collection
10:15 am  Case Teams: Case Blueprint, Training Notes, Checklists
12:00 am  LUNCH
1:00 pm  Developing Standardized Patient Feedback Skills
2:00 pm  SP Program Management
3:15 pm  Using Make-Up with Standardized Patients
4:30 pm  Adjourn

Thursday, April 27, 2017

8:30 am  SP Research and Psychometric Issues
10:15 am  Implementing SPs for Teaching and Assessment
11:45 am  Case Teams: Are You Ready to Train?
12:00 pm  LUNCH
1:00 pm  Case Teams: Training SPs for Workshop Cases
2:00 pm  Case Teams: Finalization of Case & Materials
3:00 pm  Adjourn

Friday, April 28, 2017

8:30 am  Dry Run Logistics/Distribution of Materials
9:00 am  Case Teams: Tune-up SPs
9:30 am  Dry Run of Workshop Examination
11:30 am  LUNCH with Debriefing of Dry Run
1:00 pm  Final Issues/Evaluation
1:30 pm  Adjourn
OBJECTIVES

At the conclusion of this activity, participants will be able to:

• Describe the basics of SP program development and management (recruitment, casting, supervision and personnel administration).
• Discuss issues involved in using SPs for assessment (administration, curricular impact, resource planning, psychometrics).
• Discuss issues involved in using SPs for teaching (objectives, integration, case selection, delivery options, logistics, feedback).
• Develop training materials and use them effectively.
• Develop checklists and other examination materials for use with SPs.
• Practice SP training principles and techniques.

GENERAL INFORMATION

Standardized Patients (SPs) are used throughout medical education to teach and evaluate the clinical performance and communication/interaction skills of medical students, residents and other health professional students. With the ACGME competency requirements, the USMLE Step II Clinical Skills Exam, and the increasing focus on Professionalism and Patient Safety, it has become imperative for all schools to be able to use SPs effectively.

This workshop is designed to teach participants to recruit, train, and supervise the performance of SPs for both teaching and assessment. In addition to the strong focus on basic SP training skills, case/checklist development and program maintenance will be covered. The workshop will be largely experiential with SPs being trained and cases written. The workshop will culminate on the final day with a dry run of the cases developed during the workshop. Attendees are encouraged to bring case ideas they would like to develop.

ACCREDITATION

Southern Illinois University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

CREDIT

The SIU School of Medicine designates this live activity for a maximum of 30 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

SIU School of Medicine is preapproved as a continuing nursing education provider pursuant to Section 1300.130, subsection c), 1), B) and P) of the Illinois Department of Financial and Professional Regulation Nurse Practice Act. Nurses may receive a maximum of 30 contact hours for completing this activity.

DISCLOSURE POLICY

It is the policy of Southern Illinois University School of Medicine, Continuing Professional Development that speakers, planners, and providers disclose real or apparent conflicts of interest relating to the topics of this activity, and also disclose discussions of unlabeled/unapproved uses of drugs or devices during their presentation(s). The SIU School of Medicine Office of CPD has policies in place that will identify and resolve all conflicts of interest prior to this activity. Detailed disclosure will be made in the activity handout materials.
REGISTRATION
The registration fee, $950 (USD), includes the following: Resource books Training Standardized Patients to Have Physical Findings by Howard Barrows, MD; The Diagnosis and Treatment of the Failing Student (Standardized Patient Exam Failures) by Debra Klamen, MD and Reed Williams, PhD; conference syllabus and materials, dinner on Monday night and continental breakfast and lunches throughout the week. Registrations will be accepted up to the date of the workshop, based on space availability. This is a space-limited workshop, however, so early registration is recommended.

(PLEASE NOTE: The registration fee increases to $1200 after March 6, 2017.)

You may register in one of the following ways:

• Register online at www.siumed.edu/cpd (Click on “Calendar/Registration”)
• Return completed registration form with your check or credit card number to the address listed (Make checks payable to SIU School of Medicine)

A minimum class size of 10 must be reached by March 5, 2017 or the workshop will be cancelled. We recommend you don’t purchase non-refundable airline tickets until you receive confirmation the workshop has met the minimum enrollment.

CANCELLATION POLICY
A refund, less a $50 administration fee, will be given for cancellations received on or before April 4, 2017. A 50% refund will be given from April 5 – 15, after which time no refunds will be awarded. (After April 16, only substitutions are allowed.)

SPECIAL ASSISTANCE
SIU School of Medicine wishes to assure its activities are accessible to all individuals. If you need any of the services identified in the Americans with Disabilities Act, please contact the Office of Continuing Professional Development at 217-545-7711 at least 10 days in advance.
Hotel Accommodations

President Abraham Lincoln Springfield  
A Doubletree by Hilton Hotel  
701 East Adams  
Springfield, IL 62701  
1-217-544-8800

SIU has reserved a block of rooms at the President Abraham Lincoln Springfield, a Doubletree by Hilton Hotel for:

- Standard room rate—$70.00 per night plus taxes

The special rate will be in effect from Sunday, April 23, 2017 through Thursday, April 27, 2017. You can make your reservation by calling 1-866-788-1860. Room requests must be received prior to April 3, 2017. (Refer to Room Block “SIU SP Workshop” and group code “SSP” to get the discounted rate.)

- Hotel parking is $7.00 per day.
- President Abraham Lincoln Hotel airport shuttle may be reached by courtesy phone or by calling 217-544-8800 6:30 am—11 pm

GUARANTEE/NO-SHOW POLICY: All reservations must be accompanied by a first night room deposit or guaranteed with a major credit card. The hotel will not hold any reservations unless secured by one of the above methods. You may cancel your reservation without penalty 24 hours prior to date of arrival.

Workshop Venue

The workshop will make use of new facilities within the Memorial Center for Learning and Innovation (MCLI). The MCLI was designed to develop the skills and expand the capacities of the healthcare workforce. Workshop participants will train in SIU’s new Professional Development Lab, which is used for educating current and future physicians using standardized patients, real-world scenarios, and state-of-the-art technology. The lab includes six patient exam rooms, equipped with viewing stations and remote recording capabilities, an SP workroom, and an SP changing room.
