

# MEMORIAL PRESENTS...

## **Arthritis and Joint Replacement:** What Every Patient Needs to Know

**Presented by Khaled J. Saleh, M.D., FRCSC, FACS, MHCM**  
**Professor and Chair, Division of Orthopedic Surgery**  
**Director of Clinical and Translational Research**  
**Southern Illinois University School of Medicine**

If you experience arthritic joint discomfort, this free educational event is for you. Those who attend will learn about indicators and available treatment for arthritis-related conditions in hips and knees.

The event is free and open to the public. Light refreshments will be served. Free parking is available.

Khaled J. Saleh, M.D., FRCSC, FACS, MHCM
