- Next, practice with focusing on efficiency and economy of motion
- Complete two laparoscopic cholecystectomy on a pig liver using the laparoscopic box trainer
- Request to be video taped performing a laparoscopic cholecystectomy on a pig liver using the laparoscopic box trainer

INSTRUCTIONS FOR VERIFICATION FOR PROFICIENCY TESTING

When you believe your practice sessions have resulted in proficiency in this skill area, you may request from the skills lab personnel to be videotaped for your verification of proficiency performance. Once this videotape has been completed, it will be submitted to a faculty member for evaluation. Their decision will either verify your proficiency in this skill or recommend further practice.
