The Medical Library at SIU Medicine provides access to the clinical research for faculty, students and residents. Our strong knowledgeable staff makes it easy to find the resources you need.

## Welcome

Welcome to the Medical Library at SIU Medicine. Our faculty is committed to advancing and supporting the education of our faculty, students and residents and improving the quality of care for our local residents. We're here to provide an environment of learning and scholarship that helps advance the forefront of medical knowledge and technology.

Once you are signed in, search for the title you are looking for and select **All I-Share Libraries**

The screenshot shows a library search interface. At the top, there are navigation tabs: REFERENCE HELP, KEY RESOURCES, LIBGUIDES AND DATABASES A-Z, SIU MEDICINE LIBRARY SEARCH, JOURNAL SEARCH, and ALL I-SHARE LIBRARIES SEARCH. The search bar contains the text "Molecular Genetics of Bacteria" and has a dropdown menu open with the following options: Library Catalog, Articles, All I-Share Libraries (highlighted), Search Everything, and EBSCO API Databases. Below the search bar, there are filters: "that contain my query words" and "anywhere in the record". The search results show 319 results on page 1. The first result is "Molecular genetics of bacteria" by Snyder, Larry, with 4 versions found. The second result is "Molecular genetics of bacteria" by Dale, Jeremy (Jeremy W.), ©1989, with a "Check for available services" button. The third result is "Molecular genetics of bacteria" by Dale, Jeremy (Jeremy W.); Park, Simon, 1964-2010, with an "Available at SIU School of Medicine Library Book Stacks (QW 51 D139m 2010)" button. The fourth result is "Molecular genetics of bacteria" by Dale, Jeremy.; Park, Simon, 1964-. On the right side, there is a sidebar with "Tweak your results" options: Sort by (Relevance), Availability (Held by library, Available online, Peer-reviewed Journals, Open Access), Subject, Author/Creator, Location, Library, Institution, and Resource Type.

Locate your desired book title and version, then click **Check for Available Services**

The screenshot shows a library search interface. The search bar contains the text "molecular genetics of bacteria" and has a dropdown menu open with the following options: All I-Share Libraries (highlighted) and a search icon. Below the search bar, there are filters: "that contain my query words" and "anywhere in the record". The search results show 318 results on page 1. The first result is "Molecular genetics of bacteria" by Snyder, Larry, with 4 versions found. The second result is "Molecular genetics of bacteria" by Dale, Jeremy (Jeremy W.), ©1989, with a "Check for available services" button. A blue arrow points to this button. On the right side, there are icons for link, email, star, and more options.
