

# 2021 SLIDING FEE SCALE for FINANCIAL ASSISTANCE

Any patient who has a financial hardship for medical or dental office visits, should speak with our Financial Counselor. As part of being an FQHC, SIU Center for Family Medicine will help you determine if you are eligible for our sliding fee program.

Local specialist and hospitals are also capable of extending financial assistance for their services. Please contact them individually prior to or at the time of service.

Depending on the Family Size and the annual income, patient(s) will be placed into five categories of discounted care as listed below.
