

## CURRICULUM VITAE

*Rodger J. Elble, MD, PhD*

December 11, 2016

### EDUCATION:

- |           |  |          |
|-----------|--|----------|
| 1966      | East-Alton-Wood River Community High School<br>Wood River, Illinois  |          |
| 1966-1971 | Co-operative engineering program.<br>Purdue University and the McDonnell-Douglas Corp.   |          |
| 1971      | Purdue University<br>W. Lafayette, Indiana<br>B.S. Aeronautical Engineering  | B.S.A.E. |
| 1975      | Indiana University<br>Bloomington, Indiana<br>Ph.D. Physiology (minor in biochemistry)<br>Thesis: Contribution of Motor Unit Statistics<br>to Physiological Tremor<br>Major Professor: James E. Randall, Ph.D. | Ph.D.    |
| 1977      | Indiana University School of Medicine<br>Indianapolis, Indiana   | M.D.     |

### POSTGRADUATE EDUCATION:

- |                       |  |  |
|-----------------------|--|--|
| July 1977 - June 1978 | Indiana University School of Medicine, Indianapolis, IN<br>Internship, Internal Medicine   |  |
| July 1978 - June 1981 | Washington University School of Medicine, Barnes Hospital<br>Complex, St. Louis, MO.<br>Neurology residency and postdoctoral neuroscience training with<br>W. T. Thach, MD. Topic: Role of cerebellum and stretch reflex<br>in action tremor |  |
| June 1987             | Biomechanics of Human Movement.<br>Special summer course at Massachusetts Institute of Technology,<br>Laboratory of Prof. Robert W. Mann.  |  |

May 15 – Aug 30, 2010      Research sabbatical, Department of Neurology, Prof. Günther Deuschl, Chair, Christian-Albrechts University, Kiel Germany.

**LICENSE:**                      Illinois State Board of Medical Examiners  
July, 1981-present

**BOARD CERTIFIED:**      American Board of Psychiatry and Neurology  
November 1982

**HONORS AND AWARDS:**

Phi Eta Sigma  
Sigma Gamma Tau  
Tau Beta Pi  
Phi Kappa Phi  
Alpha Omega Alpha  
Best full-time faculty teacher of the year award, Department of  
Medicine, 1985-86  
Fellow, American Academy of Neurology (1990)

Best Doctors in America (1996-present)  
Castle Connolly Top Doctor (2015-present)  
America's Top Physicians, Consumers' Research Council of  
America (2006-present)

Associate, Behavioral and Brain Sciences (1991)  
IBC Leading Scientists of the World (2008)  
Who's Who Among Students in American Colleges and  
Universities (1977)

Who's Who in Frontiers of Science and Technology (1985)  
Who's Who in the Midwest (1988)  
Who's Who of Emerging Leaders in America (1990)  
Who's Who in Medicine and Healthcare (1996)  
Who's Who in America (2002)

Pfizer Visiting Professor of Neurology, U. of Arkansas, 2007  
Visiting Professor, Oregon Health Science University, 2010  
Visiting Professor, University of Saskatchewan, 2013

Outstanding Scholar at SIU School of Medicine, 2014  
Outstanding Teaching Award, Dept. Neurology, SIUSM, 2016

**MEMBERSHIPS:**              American Academy of Neurology  
Association of University Professors of Neurology  
Central Society for Neurological Research

Movement Disorder Society  
 Society for Neuroscience  
 Tremor Research Group  
 Parkinson Study Group  
 Neuroprotection Exploratory Trials in Parkinson Disease  
 (National Institute of Neurological Disorders and Stroke)

**POSITIONS HELD:**

June 1966 to June 1971	Student, Cooperative Engineering Program, McDonnell-Douglas Corp. and Purdue U.
Aug. 1971 to Aug. 1974	National Institutes of Health Physiology Training Grant Indiana University, Bloomington, IN
Aug. 1973 to June 1975	Teaching Assistant, Department of Anatomy and Physiology, Indiana University, Bloomington, IN
July 1977 to July 1978	Intern, Department of Internal Medicine, School of Medicine, Indiana University, Indianapolis, IN
July 1978 to July 1981	Resident, Department of Neurology Washington University School of Medicine, Barnes Hospital, St. Louis, MO
July 1981 to July 1987	Assistant Professor of Neurology Southern Illinois University School of Medicine, Springfield, IL
July 1987 to March 1996	Associate Professor of Neurology Southern Illinois University School of Medicine, Springfield, IL
Nov. 1988 to March 1996	Associate Professor of Psychiatry Southern Illinois University School of Medicine, Springfield, IL
Nov. 1988 to Sept. 2007	Director Center for Alzheimer Disease and Related Disorders, Southern Illinois University School of Medicine, Springfield, IL

Sept. 1992 to Feb. 1993	Acting Chief Division of Neurology, Department of Medicine Southern Illinois University School of Medicine, Springfield, IL
July 1993 to 2004	Director Neurology senior student electives
Feb. 1993 to May 1996	Interim Chair Department of Neurology Southern Illinois University School of Medicine, Springfield, IL
Oct. 1993 to 1997	Member, Neurology Study Section A National Institute of Neurological Disorders and Stroke Bethesda, Maryland
July 1994 to 2000	Director, Student Neurology Clerkship Department of Neurology Southern Illinois University School of Medicine Springfield, IL
March 1996 to June 2014	Professor of Neurology Southern Illinois University School of Medicine
March 1996 to June 2014	Professor of Psychiatry Southern Illinois University School of Medicine
May 1996 to Nov. 2012	Chair of Neurology Southern Illinois University School of Medicine
July 1998 to June 2014	Director, Neurology Residency Program Department of Neurology, Southern Illinois U. School of Medicine
July 1999 to Feb. 2001 March 1, 2004 – July 2005	Director, National Parkinson Foundation Center of Excellence Southern Illinois University School of Medicine
Dec. 2007 – January 2010	Medical Director, Stroke Center, St. John's Hospital
Nov. 2011 – 2013	Neurology Clerkship Director, SIU School of Medicine
March 2004 – <u>present</u>	Director, Parkinson Disease and Movement Disorders Center, SIU School of Medicine

**UNIVERSITY COMMITTEES AND SPECIAL ASSIGNMENTS:**

Chair	Laboratory Animal Care Committee July 1985 - June 1988
Member	Search committee for the director of Laboratory Animal Resources 1985
Chair	Central Research Committee July 1985 - September 1989
Member	Springfield Committee for Research Involving Human Subjects July 1988 – September 1989
Chair	Springfield Committee for Research Involving Human Subjects September 1989 - November 1992
Member	Ad hoc committee for utilization of laboratory space 1989
Member	Ad hoc committee for review of the Department of Family Practice: 1991
Member	Computing Advisory Committee, 1990
Chair	Alzheimer Center Policy Advisory Committee November 1988 - 2007
Member	University Patents and Copyrights Committee July 1985 - June 1996
Member	Misconduct in Science Committee July 1990 - June 1996
Chair	Misconduct in Science Committee July 1996 - 1998
Member	Research Policy Advisory Committee July 1985 - Sept. 1993
Member	Utilization Review for Memorial Medical Center. 1986 - 1992
Member	LCME Subcommittee for institutional research: 1992

Member Clinical Chairs' Committee  
Feb. 1993 -2012

Member Executive Committee,  
Feb 1993 – 2012

Member Medical Service and Research Plan Committee  
April 1993 – November 1997

Member Student Progress System Subcommittee on Appeals  
July 1994 - 2001

Member Search Committee, Chair of Neurology  
1994

Member Search Committee, Chair of Internal Medicine  
1995

Member ad hoc Committee, Scholars in Biomedical Research Program  
1998

Member Graduate Medical Education Committee  
1998 - 2014

Member LCME task force subcommittee for graduate education in the basic  
sciences and research. 1998

Member Curriculum 2000 workgroup on integration of basic sciences and clinical  
medicine. 1999

Chair Curriculum 2000 neuroscience clerkship committee. 1999

Member Internal Medicine and Pulmonary Medicine Internal Review Committee,  
1999

Chair Dept of Neurology, St. John's Hospital, Springfield, IL, 2000-2012

Member Student Progress Committee, 2001-2005

Member Department of Medicine Research Development Task Force. September  
2001-2002

Member Dean and Provost search committee. November 2001-June 2002

Member	General Surgery Internal Review Committee, 2002
Chair	Chair of Psychiatry search committee, August 2002-November 2002
Chair	SIUSOM grant overhead committee, June 2003-November 2003
Member	Associate Dean for Research search committee, Sept. 2004-Dec. 2004
Chair	Psychiatry Residency internal review committee, November 2004-February 2005
Member	Translational research task force, December 2007 – May 2008

### **OFFICES IN PROFESSIONAL ORGANIZATIONS**

Oct. 1993-Oct. 1996	Secretary-Treasurer, Central Society for Neurological Research
Oct. 1996-Oct. 1997	President, Central Society for Neurological Research
May 2004-Feb. 2013	President, Tremor Research Group

**COMMITTEES IN PROFESSIONAL SOCIETIES**

American Academy of Neurology Clinical Practice Committee, Geriatric Neurology and Dementia Section	Member, 1998-2007
Movement Disorder Society Membership committee	Member, 1998-2000
European Union Project NeuroTREMOR	Scientific Advisory Board May 2011-2013
Parkinson Study Group Credentials Committee	Member, 2011-2015
Tremor Rating Scale Task Force Movement Disorder Society	Chair, September 2011-2014
Tremor Task Force Movement Disorder Society	Chair, August 2011 - <u>present</u>
Task Force: European Recommendations on the Diagnosis and Management of Essential Tremor European Federation of Neurological Societies	External scientific advisor Feb 2012 - 2015

**PROFESSIONAL ADVISORY BOARDS**

International Essential Tremor Foundation, Kansas City, KS	Member, Medical Advisory Board, 1988 - <u>present</u>
Alzheimer's Disease and Related Disorders Association, Springfield Chapter	Member, Medical Advisory Board, 1986 - 2007
BlueCross-BlueShield of Illinois	Medical Consultant, 1998 - 2003
Spastic Paralysis Research Foundation Kiwanis International, Illinois-Eastern Iowa District	Medical Director, 2010 - <u>present</u>

**RESEARCH STUDY GROUPS**

Tremor Research Group	2001 – <u>present</u>
NINDS NET-PD Study Group	2003 – 2014

Parkinson Study Group 2005 – present

**CERTIFICATIONS (date of recertification)**

NIH Stroke Scale	November 4, 2010
ABCD2 Scale	November 4, 2010
Modified Rankin Scale	November 4, 2010
UPDRS	November 4, 2011

**GRANT REVIEWS**

National Institute of Neurological Diseases and Stroke	Special Reviewer, Neurology Study Section A, October 1992 - October 1993 Regular Member, October 1993 - October 1996. Reserve member, October 1996 - 1997
Louisiana Board of Regents	2013
National Institute on Aging	Special study section member (Locomotor Impairment and Falls in the Elderly), March 1986.
National Institute on Deafness and Other Communicative Diseases	Ad hoc grant reviewer, 1998
NIH, SBIR (BBBP-1)	Ad hoc grant reviewer, 2001
NIH, Clinical Neuroscience and Neurodegeneration Study Section	Reviewer, 2013 - 2015
National Science Foundation	Ad hoc grant reviewer, 1984
Veterans Administration	Ad hoc grant reviewer, 1986, 2000, 2003
Spinal Cord Research Foundation Paralyzed Veterans of America	Ad hoc grant reviewer, 1997
Illinois Department of Public Health	Ad hoc grant reviewer, 1996
International Tremor Foundation	Ad hoc grant reviewer, 1997
International Essential Tremor Foundation	Grant reviewer, 2005- <u>present</u>

Prinses Beatrix Fonds	Grant reviewer, 2010
German Ministry of Education and Research	Grant reviewer, 2010
Alzheimer Research Alliance of Oregon	Ad hoc grant reviewer, 1995
United States-Israel Binational Science Foundation	Ad hoc grant reviewer, 1997, 2006, 2007
University of Texas Health Science Center at San Antonio	Ad hoc grant reviewer, 2000
Natural Sciences and Engineering Research Council of Canada	Ad hoc grant reviewer, 1998
The Wellcome Trust, London UK Joint Infrastructure Fund	Ad hoc grant reviewer, 1999, 2003, 2007
Michael J Fox Foundation	Ad hoc grant reviewer, 2014
Netherlands Brain Foundation (Hersenstichting)	Ad hoc grant reviewer, 2016

### **EDITORIAL BOARDS OF PROFESSIONAL JOURNALS**

<b>Movement Disorders</b>	November 1992 - November 1996 January 1998 – January 2002
<b>Tremor and Other Hyperkinetic Movements</b>	November 2014 - <u>present</u>

### **REFeree SERVICE FOR PROFESSIONAL JOURNALS AND PUBLISHERS**

## RESEARCH PROJECTS AND FUNDING

1. Neuromuscular Control in Action Tremor (Principal Investigator)
  - 7/84-6/85: American Parkinson Disease Association Grant
  - 7/84-6/87: NINDS Grant 1-RO1 NS20973
  - 7/88-6/92: NINDS Grant 2-RO1 NS20973
  - 12/92-11/97: NINDS Grant 2-RO1 NS20973
2. Aging of the Brain and Dementia: Early Detection (Co-Investigator)
  - Principal Investigator: Ezio Giacobini, MD, PhD
  - Collaborators: Robert Becker, MD
  - 12/85-12/88: NIA Grant 1-R01-AG05416
3. Regional Alzheimer Disease Assistance Center Grant (Director)
  - Collaborators: R. Becker, MD, E. Giacobini, MD, PhD, et al.
  - Funding:

1989-2007 Illinois Department of Public Health

4. Gait Disturbances in the Elderly: Senile Gait (Principal Investigator)  
Funding:
  - 7/87-6/90: Whitaker Foundation
  - 7/90-6/92: NIA grant P30 AG08014
  - 7/92-6/97: NIA grant RO1 AG10837
5. A long-term tolerance and safety study of HP 029 (1,2,3,4-tetrahydro-9-aminoacridin-1-OL maleate) in patients with Alzheimer's disease (Hoechst-Roussel Pharmaceuticals, Inc). 1/91-12/91
6. Alzheimer Disease Research Center Grant. NIA grant P30 AG08014, Principal Investigator: Robert E. Becker, MD; Clinical Core Director: Rodger J. Elble, MD, PhD; 1991-1996
7. Conjugated estrogens for women with Alzheimer's disease: a randomized, double-blind, placebo-controlled, multi-center trial (Wyeth-Ayerst Laboratories). V. Henderson (PI), U. Southern California. April 1997-1998.
8. Noncomparative, open-label study to identify Tasmar dosage regimen in nonfluctuating Parkinson's disease patients treated with Sinemet, with follow-up extension of Tasmar (Hoffman-La Roche, Inc). Co-investigator with Dr. Bala Manyam. May 1997-1998.
9. Metrifonate Investigational Nationwide Trial (MINT). Bayer Pharmaceutical. Sept. 1997-Sept. 1998.
10. Akinesia in patients with Parkinson disease and other parkinsonian illnesses. A \$10,000 gift from Harriss Malan and his late wife, Fannie Bell Roe Malan to Southern Illinois U. School of Medicine, 1998.
11. The Genetics and Electrophysiologic Characteristics of Essential Tremor. \$20,000 per year, beginning August 1998. Spastic Paralysis Research Foundation of Kiwanis International, Illinois-Eastern Iowa District.
12. Global Parkinson Disease Study. February 1999.
13. Parkinson Disease Center Grant, National Parkinson Foundation Center of Excellence Funded by the Illinois Department of Public Health 7/00-7/05
14. A comparison of the efficacy and safety of topiramate versus placebo in the treatment of essential tremor: protocol CAPSS-149. Ortho-McNeil. March 2001-2004
15. Principal Investigator. Participating clinical center. Neuroprotection Exploratory Trials in Parkinson Disease (NET-PD). NIH (NINDS) 5U10 NS044450-02. March 2003-present

16. Principal Investigator. Participating center. Feasibility Study on the Characteristics of Parkinson's Disease Symptoms for the Planned Phase III Studies with Sarizotan (EMR 62 225). Merck KGaA. March 2004-June 2004.
17. Principal Investigator. Participating center. A double-blind, placebo controlled, multicenter, multinational Phase III study to evaluate the safety and efficacy of Sarizotan HCl 1mg bid in patients with Parkinson's disease suffering from treatment associated dyskinesias (PADDY-1). Merck KGaA. September 2004- June 2006.
18. Principal Investigator. Participating center. A 12-week, double-blind, placebo-controlled, randomized, parallel-group, multicenter, fixed dose-response study to evaluate the efficacy and safety of 10, 20 and 40 mg/d oral doses of KW-6002 (istradefylline) as treatment for Parkinson's disease in patients with motor response complications of levodopa/carbidopa therapy. Kyowa Pharmaceutical Inc. September 2004-October 2005.
19. Principal Investigator. Participating center. Levetiracetam (Keppra®) in the Treatment of Essential Tremor. A Multi-center, Double-Blind Randomized, Cross-over, Placebo-controlled Investigation. UCB Pharma. September 2004-October 2006.
20. Principal Investigator. Participating center. Evaluation of the Efficacy and Safety of ALTROPANE for Differentiating Parkinsonian Syndromes from Non-Parkinsonian Syndromes in Patients with Tremors. Boston Life Sciences, Inc. Nov. 2004- April 2006.
21. Principal Investigator. NIH scientific conference grant 1R13NS052017-01. Critical Research Issues in Essential Tremor. April 1, 2005 – March 31, 2006.
22. Principal Investigator. Participating center. An open-label, multicenter, multinational Phase III follow-up study to investigate the long-term safety and efficacy of Sarizotan HCl 1mg bid in patients with Parkinson's disease suffering from treatment-associated dyskinesia (PADDY-O). Merck KGaA. June 2005-January 2007.
23. Principal Investigator. Participating center. A phase 2, double-blind, placebo-controlled, randomized, parallel-group, multicenter study of the efficacy and safety of 40 mg/day of KW-6002 (istradefylline) as a monotherapy in subjects with Parkinson's disease. Kyowa Pharmaceutical Inc. May 2005- April 2007.
24. Principal Investigator. Participating center. A long-term, multicenter, open-label safety study with oral 20 or 40 mg/d doses of KW-6002 (istradefylline) as treatment for Parkinson's disease in patients with motor response complications on levodopa therapy. Kyowa Pharmaceutical Inc. July 2005- June 2006.
25. Principal Investigator. Participating center. A multi-center, double-blind, randomized start, placebo-controlled, parallel-group study to assess rasagiline as a disease modifying therapy in early Parkinson's disease patients. Teva Pharmaceutical. October 2005-2008

26. Principal Investigator. Participating center. Testing objective measures of motor impairment in early Parkinson's disease. Kinetics Foundation. September 2005-July 2007
27. Principal Investigator. Participating center. Clinimetric Studies of a New Scale for Parkinson's Disease. Movement Disorder Society. June 2006-March 2008.
28. Principal Investigator. Participating center. A multi-center, randomized, double-blind, placebo-controlled, parallel group study of the efficacy, safety and tolerability of E2007 in levodopa treated Parkinson's disease patients with motor fluctuations. Phase III. Eisai Study E2007-A001-302. May 2006-November 2008.
29. Principal Investigator. Participating center (Parkinson Study Group). A randomized, double-blind, active (pramipexole 0.5 mg tid) and placebo controlled, efficacy study of pramipexole given 0.5 mg and 0.75 mg bid over a 12-week treatment phase in early Parkinson's disease patients (PramiBID). Boehringer Ingelheim. October 2006 – 2008.
30. Principal Investigator. Participating center (NET-PD Study Group). A Multi-center, Double-Blind, parallel Group, Placebo Controlled Study of Creatine in Participants with Treated Parkinson's disease (PD). Large Study-1 (LS-1). NINDS. October 2006 – present.
31. Principal Investigator. Participating center. A Multi-Center, Placebo-Controlled, Double-Blind Trial To Examine the Safety and Efficacy of ACP-103 in the Treatment of Psychosis in Parkinson's Disease Protocol Number ACP-103-012. Study Phase IIb/III. ACADIA. July 2007-August 2008.
32. Principal Investigator. Participating center. A Randomized, Double Blind, Placebo-Controlled, Crossover Study to Evaluate the Efficacy and Safety of Carisbamate in the Treatment of Essential Tremor. Protocol CARISEPY 2008; Phase II. Ortho-McNeil. July 2007-2008.
33. Principal Investigator. Participating center. Parkinson Disease Collaborative Study of Genetic Linkage A.K.A. Parkinson's Research: The Organized Genetics Initiative (PROGENI). NINDS. August 2008-November 2009.
34. Principal Investigator. Participating center. A multi-site, double-blind, randomized, placebo-controlled, crossover study of pregabalin (Lyrica, PGB) in the treatment of essential tremor (Version 2). Grant to MoveDocs from Pfizer. January 2009-2011.
35. Principal Investigator. Participating center. Validation of the TRG essential tremor rating scale (TETRAS). Grant to the Tremor Research Group from GlaxoSmithKlein. April 2009-December 2012.
36. Participating center. Platelet-Oriented Inhibition in New TIA and minor ischemic stroke Trial (POINT). NIH NINDS CRC study. November 2010-July 2011.

37. Principal Investigator. Participating center. Phytopharm CONFIDENT-PD. Phytopharm plc. March 2011-December 2012.
38. Principal Investigator. Participating center (NET-PD Study Group). A Multi-Center, Double-Blind, Placebo-Controlled Phase II Study of Pioglitazone in Early Parkinson's Disease (FS-ZONE). NINDS. May 2011-2013.
39. Principal Investigator. Participating center. A double-blind, randomized, placebo controlled study of the safety and efficacy of SYN115 as adjunctive therapy in levodopa-treated Parkinson's subjects with end of dose wearing off. Biotie Therapies. December 2011-August 2012

## **SPECIAL EDUCATIONAL ACTIVITIES**

### **University Educational Programs (Southern Illinois U. School of Medicine):**

Authored a case for the Post-Clerkship Examination, 1990

Established the Neurology Clerkship

Established a senior elective in the Alzheimer Center

Developed *Neurology Learning Center* web site for students and residents.

### **Doctoral Advisory Committees:**

Steven Kane, Dept. Neurobiology, Washington U., St. Louis  
May 1985 to May 1989.

### **National and International Educational and Research Programs:**

Chair of scientific platform sessions:

American Academy of Neurology (1992, 1995)

Society for Neuroscience (1993)

Tremor: mechanisms and clinical aspects, Kiel, Germany (1997)

International Congress of Parkinson Disease and Movement Disorders

Session Chair,

Essential tremor: challenges and future strategies, Toronto (2011)

Tour Leader,  
Guided poster tour: Essential Tremor. Toronto (2011)

Tour Leader,  
Guided poster tour: Tremor. Dublin Ireland (2012)

Session Chair,  
What is essential tremor? Dublin Ireland (2012)

American Academy of Neurology Educational Programs:

Director and speaker, Motor Control Course, AAN Annual Meeting, 1995-1999

Invited speaker, Motor Control Course, AAN Annual Meeting 1992, 1994

Invited speaker, Geriatric Neurology Course, AAN Annual Meeting, 1995

Invited speaker, Neurorehabilitation Course, AAN Annual Meeting, 1991

Invited speaker, Gait Disturbances in the Elderly Course, AAN Annual Meeting, 1991, 1993, 1994

Invited speaker, Motor Control, dinner seminar, AAN Annual Meeting, 1997

Invited speaker, Diagnosis and Treatment of Tremor, dinner seminar, AAN Annual Meeting, 2000-2003.

Director and speaker, Balance and Gait course, AAN Annual Meeting, 2006-2009

Invited speaker, Movement Disorders Therapy, AAN Annual Meeting, 2009

Invited speaker, Parkinson Disease and Movement Disorders Update, AAN Annual Meeting, 2013, 2014, 2015

American Academy of Neurology Continuing Medical Education:

Contributing author, Continuum: Geriatric Neurology, Jan. 1995-1996.

**Organizing committees:** Tremor: mechanisms and clinical aspects, Kiel Germany, July 11-12, 1997

Consensus Conference on Essential tremor, Washington DC, October 2005 (Conference director)

1<sup>st</sup> International Congress on Gait and Mental Function, Madrid, Spain, February 2006

Geneva-Springfield Alzheimer Conference, Geneva, April 2006

Hong Kong-Springfield Alzheimer Conference, Hong Kong, March 2008

Geneva-Springfield Alzheimer Conference, Geneva, March 2010

Geneva-Springfield Alzheimer Conference, Stockholm, May 2012

Geneva-Springfield Alzheimer Conference, Geneva, March 2014

Essential Knowledge Gaps in the Field of Essential Tremor, NIH Bethesda MD, May 2015

Athens-Springfield Alzheimer Conference, Athens, March 2016

**Board Examiner:** American Board of Psychiatry and Neurology (inactive)
