EDUCATION & DEGREES

2017 – Present	Southern Illinois University School of Medicine Institute for Plastic Surgery Integrated Plastic Surgery Residency Program, PGY-2	Springfield, IL
2017 – Present	University of Illinois at Springfield Master of Arts in Medical Education	Springfield, IL
2012 – 2017	Southern Illinois University School of Medicine Doctor of Medicine, Master of Public Health	Springfield, IL
2011 – 2012	Dominican University Post-Baccalaureate Pre-Health Program	River Forest, IL
2007 – 2012	Illinois Wesleyan University Bachelor of Arts in Psychology	Bloomington, IL
2009 – 2009	University of Westminster through Arcadia University Study Abroad Program	London, UK

COMMITTEE MEMBERSHIP

2014 – Present	SIU School of Medicine Admissions Committee Interviewing candidates, committee meetings
2015 – 2017	Year 4 Curriculum Committee Student representative
2015 – Present	Sangamon Valley Youth Symphony Board Member Recruitment, Fundraising, Public relations

PROJECTS IN MEDICAL EDUCATION

- 2015 – 2017 Defining and Improving Medical Student Coachability: A Student-Led Curriculum Development Project**
Southern Illinois University School of Medicine.
Defining coachability and increasing awareness of coachability in students and faculty at the SIU School of Medicine.
- 2016 – 2017 Qualitative Analysis of the Surgical Clerkship**
Southern Illinois University School of Medicine
Focus groups were held with medical students in their third year of medical school regarding their experience on the surgical clerkship. Interviews were held with attendings who worked with medical students on this clerkship. The interviews and focus groups were transcribed and analyzed. Themes were identified and presented to identify areas of strength and weakness in the clerkship.

PROJECTS IN PUBLIC HEALTH

- 2017 genHkids, Internship**
Organized a “100-Year Heart” Curriculum to teach grade school children about healthy habits including eating healthy, engaging in physical activity, sleeping enough, drinking water, and taking time to rest.
Volunteer Recruitment in the Springfield community.
Participated in after-school health-awareness events.
Developed a “Recess Toolbox” that provides schools with ideas for recess that increase physical activity time for indoor and outdoor recess and considers options for discipline other than withholding recess.

ORAL PRESENTATIONS

- 2017 Through the looking glass: The student clerkship experience**
Symposium for Teaching and Learning, Southern Illinois University School of Medicine
- 2017 Under the knife: Perspectives on the surgery clerkship**
Symposium for Teaching and Learning, Southern Illinois University School of Medicine
- 2016 Coachability 101: A Peer-Led Workshop on Becoming a More Coachable Clinical Trainee**
Symposium for Teaching and Learning, Southern Illinois University School of Medicine
- 2016 Envisioning New Models for Medical Education: A Medical Student Panel**
Symposium for Teaching and Learning, Southern Illinois University School of Medicine
- 2016 Operation Smile: Ho, Ghana – A Medical Student’s Perspective**
Southern Illinois University School of Medicine, Institute for Plastic Surgery
- 2016 A Student – Centered Participatory Program Evaluation for Curriculum Reform: An Inside Look at the Clerkship Experience.**
Association for Medical Education in Europe (AMEE) Conference – Barcelona, Spain
- 2015 Medical student involvement in a grassroots community collaborative to address the health of children in pre-K through 5th grade.**
Symposium for Teaching and Learning, Southern Illinois University School of Medicine

Objective

- Consideration for the Southern Illinois University School of Medicine Alumni Board of Governors

Education

July 2013 – June 2016

Deaconess Family Medicine Residency

- Evansville, Indiana
- Family Medicine Board Certification in June 2016

July 2009 – May 2013

Southern Illinois University School of Medicine

- Springfield, Illinois
- Medical Degree
- Organization of Student Representatives Class Representative to AAMC. 2013 Central Region Chair to OSR. 2012 Legislative Affairs Central Region Liaison to OSR.

July 2007 – June 2009

Southern Illinois University

- Carbondale, Illinois
- Bachelor of Science
- Major in Biology, Minor in Chemistry

July 2005 – June 2007

Wabash Valley College

- Mt. Carmel, Illinois
- Associate of Science
- Major in Biological Sciences

Professional Experience

July 2016 – Present

Wabash General Hospital Primary Care Clinic

- I helped with initial development of the clinic and now see patients full-time with one Physician Assistant. I provide care to patients of all ages and perform office procedures. I also perform colonoscopies in the hospital and will begin seeing inpatients soon.

July 2013 – June 2016

Deaconess Health System

- I completed all residency rotations without issue. I was involved in moonlighting regularly with the Hospitalist, Critical Care, Infectious Disease, and Gastrointestinal services at Deaconess Hospital. I was a member of the Tumor Board. I shared Chief Resident duties during my third year.

Professional Memberships

- American Board of Family Medicine
- American Academy of Family Physicians
- Illinois Academy of Family Physicians
- Indiana Academy of Family Physicians
- Alpha Omega Alpha Medical Honor Society
- Christian Medical and Dental Associations

Current Licensure

Currently licensed to practice medicine in Illinois and Indiana

Awards Received

- Resident of the Year – Deaconess Family Medicine Residency 2016
- Alpha Omega Alpha Medical Honor Society – elected during my junior year at SIU School of Medicine
- Fieldes Medical Scholarship – received and renewed for four years at SIU School of Medicine
- Southern Illinois Medical Association Scholarship – received during first year of SIU School of Medicine
- Graduated Summa Cum Laude from Southern Illinois University – Carbondale

Research

American Family Physician Journal Publication

- Co-Authoring “Antibiotics for Sore Throat” article in the Cochrane for Clinicians section of the July 1, 2014 issue of American Family Physician.

Physiology Research

- Completed 2 years of Physiology research in the lab of Dr. Laura Murphy at SIU. Research was focused on effects of ginseng extracts on breast, colon, and prostate cancer cells.

Personal

- Happily married to my wife, Caryn. We have a 16 month-old son, Nathaniel.
- Member of the Southern Indiana Triathlon Team and Crossroads Christian Church.
- Enjoy cycling, running, golf, St. Louis Cardinals baseball, and Fantasy Football.

1992-1995 University of Missouri, Columbia, MO
Masters of Public Administration, May, 1995

PROFESSIONAL EXPERIENCE

07/80-06/84 Southern Illinois School of Medicine, Department of Psychiatry,
Springfield, IL

Internship and Residency

07/83-01/84 Chief Resident

08/84-06/85 Ozark Counseling Services, Harrison, AR

Medical Director for the Mountain Home, Marshall and Yellville offices in
Arkansas

I was involved in developing better community/physician/center relations and
upgrading overall Mental Health Services.

07/85-06/87 University of Missouri Hospital and Clinics, Section of Child and
Adolescent Psychiatry, Columbia, MO

Child Psychiatry Fellowship

01/87-05/87 Chief Child Psychiatry Fellow

08/87-02/95 Mid-Missouri Mental Health Center, Columbia, MO
(Missouri Department of Mental Health)

08/87-09/93 Unit Director/Medical Director
Children's Psychiatric Inpatient Unit

I was responsible for primary child psychiatric services as well as coordinating and developing the interdisciplinary team on a 13-bed preadolescent unit. I also served as Chairman of our facility's Infection Control and Pharmacy & Therapeutics Committees. I also provided general psychiatric services to a community clinic run by Mid-Missouri Mental Health Center once a week.

11/89-06/91 and 04/92-02/95 Facility Medical Director

As Facility Medical Director, I successfully instituted a center-wide quality improvement program that resulted in our being accredited by JCAHO in 1991 and 1994. I also piloted our facility through successful Medicaid and Medicare site visits. I assumed the duties of Assistant Superintendent for Treatment for the adult outpatient and inpatient psychiatric units and the adult alcohol and drug treatment unit. In this capacity I not only supervised the medical staff but also the disciplines of psychology, social services, occupational therapy and recreational therapy. I continued to be clinically active in addition to my expanding administrative duties. From 07/91 through 03/92, I was involved with a major reorganization of Children's Services and briefly left the Medical Director position.

08/87-02/97 University of Missouri, Columbia, MO

1987-1994--Clinical Assistant Professor of Psychiatry (Child Psychiatry)

1994-1997--Clinical Associate Professor of Psychiatry (Child Psychiatry)

I was responsible for clinical instruction of child psychiatry fellows, general psychiatry residents and medical students who rotated at Mid-Missouri Mental Health Center. I was a frequent lecturer in the child psychiatry fellowship lecture series and was very involved in clinical teaching. I collaborated with other faculty on research projects.

04/94-02/97 Missouri Department of Mental Health (DMH), Jefferson City, MO

Medical Director for Children's Services

This position grew out of my serving as a Special Child Psychiatric Consultant to DMH from 04/93-04/94. I oversaw child psychiatrist recruitment, gave input regarding strategic planning for program development, initiated a clinical outcomes project and provided clinical consultation for difficult cases throughout the state. Thirty percent of my time was devoted to being a liaison between the divisions of Comprehensive Psychiatric Services and Mental Retardation/Developmental Disabilities for child and adult services. From 12/96 until 2/97, I served as Interim Superintendent of Woodson Children's Psychiatric Hospital.

04/97-04/00 South Carolina Department of Mental Health, Columbia, South Carolina

Department Director

As Department Director, I coordinated statewide mental health services for an agency with a \$350+ million budget, over 6,000 employees, 17 community mental health centers and 9 inpatient residential facilities. During my tenure, I guided the development of the department's first long-term strategic plan, started an outcomes initiative which assured that outcomes were measured for all clinical programs and authored a comprehensive land use and capital development plan which identified over \$15 million in surplus property. In addition, I oversaw the start of the first statewide system of outpatient psychiatric crisis stabilization programs with General Assembly funding, expanded the Toward Local Care deinstitutionalization program by 97 community beds and found funds to begin a successful anti-truancy program in six sites. I also developed the first two pilot sites for a prevention program targeting the children of mentally ill consumers and expanded a nationally recognized program for providing mental health services for deaf adults to include children and adolescents.

7/97-3/02 University of South Carolina, Columbia, South Carolina

Clinical Professor of Psychiatry

In this position I taught students, residents and fellows. I continued to be involved in research both on my own part and fostering collaborative research between the University and the Department of Mental Health.

4/00-4/02 South Carolina Department of Mental Health, Greenwood, South Carolina

Senior Psychiatrist, Beckman Mental Health Center

In this clinical position, I served patients as the only psychiatrist in Newberry County. I also developed new programming for dually diagnosed clients (MI/SA) in Laurens County and ran a child psychiatry clinics for Beckman in Saluda and Ninety-Six.

4/22/02-4/30/16 Southern Illinois Univ., Department of Psychiatry, Springfield, Illinois

4/02-6/03 Residency Training Director, Professor of Clinical Psychiatry

I this position I coordinated the training of all physicians in the general psychiatry residency. I also oversaw a major curriculum change to focus on measuring competency in psychotherapy. I continued to practice as an outpatient child and adolescent psychiatrist. The ACGME site visit that occurred under my tenure resulted in four year reaccreditation

8/02-4/30/16 Chair of the Department of Psychiatry, Professor of Clinical Psychiatry

Was acting chair from 8/02 until 11/02. As chair I was responsible for a major restructuring of how the department functions. I erased a \$400,000 annual deficit and now the department either breaks even or makes a profit. The clerkship was restructured and student scores on the USMLE psychiatry section went from the 40th to the 70th percentile. Resident training was restructured and the first time pass rate for residents of the ABNP exams went from about 50% on Part I & II to 100% on Part I and 87% on Part II. The research effort was restructured, resulting in an increase of research published in significant peer reviewed publications and presentations at national meetings. A child psychiatry fellowship was developed during my term as chair as well as a division of psych/oncology at the university cancer center. I serve on the board of the university group practice and on its finance committee. I continued to practice general adult as well as child and adolescent psychiatry.

5/1/16-present Professor Emeritus, Southern Illinois University

I continue to do outpatient child psychiatry, volunteer teach students and residents and continue to serve as a primary investigator of a multi-department study of the association of autism and synthetic oxytocin administration during labor and delivery.

EXECUTIVE SUMMARY

Board Certified Internal Medicine Physician with over 20 years of clinical & administrative leadership experience. Successfully developed, implemented and managed programs in the areas of physician incentive programs, quality, HEDIS, coding education, RAF, case management, utilization management, clinical integration, palliative and hospice care. Possesses a broad range of management skills and a record of success in the above areas.

EDUCATION

B.A. Neurobiology & Physiology, Northwestern University, Evanston, IL
M.D., Southern Illinois University, School of Medicine, Springfield, IL

INTERNSHIP & RESIDENCY

Internal Medicine Residency, Northwestern University
Chief Medical Resident, Northwestern University

CLINICAL EXPERIENCE & ACCOMPLISHMENTS

Chicago Health Outreach, Physician, Internal Medicine **1994 – 1995**

Led a team of Advanced Practice Nurses and Nurse Practitioners that successfully provided care to the homeless population. Provided primary care to Cambodian victims of torture. Supervised a mobile tuberculosis prevention program.

Ingalls Community Care Center **1995 – 1997**

Led a team of Physicians and Nurse Practitioners that provided care to a Medicaid managed care population. Successfully reduced PCED visits by linking members with Primary care providers.

Physician, Internal Medicine **1997 – Present**

Provide primary care for the general population of the South Suburbs of Chicago. My practice productivity has consistently ranked above the MGMA 85th percentile. Achieved outstanding results in clinical quality and documentation. Teaching Attending for outpatient Medicine for Internal Medicine Residents and Nurse Practitioner Students.

ADMINISTRATIVE EXPERIENCE AND ACCOMPLISHMENTS

Ingalls Provider Group **1996 – 2010**

Pods Medical Leader – Managed a group of 33 independent Primary Care Physicians. Responsible for quality studies, referral management and inpatient utilization. Worked with Ingalls administration to design a program that linked physician incentives to the larger organizational goals. Implemented and managed this program which resulted in a 250% increase in organizational bonuses.

Chairman, Finance and Contracting Committee **2000-5/2016**

- Reviewed and approved contracts with payors
- Monitored Physician performance
- Reviewed and adjusted provider collection rates
- Monitored overall financial performance
- Implemented programs that incented Physicians to provide proactive care to patients to decrease emergency room and hospital utilization.
- Modified Physician incentive programs to integrate changes in payor incentives

Chairman Clinical Integration, IPG & ICN**2010 – 5/2016**

- Implemented programs that brought independent practices on to one centrally connected platform.
- Laid groundwork for Ingalls ACO
- Selected, monitored and adjusted Clinical guideline measures of group performance
- Worked closely with Ingalls Health System's Administration and Valence Health
- ICN was the only ACO in the Chicago area to achieve a MSSP bonus in 2015

Associate Medical Director for Quality, IPG**2010 – 5/2016**

- Overall responsibility for quality study performance.
- Educate Physicians and monitor their individual performance
- Created and implemented several incentive programs that significantly improved group performance
- Created and implemented a quality awards program for office staff.
- Worked with payors to develop quality programs.

Medical Director, Entera Home Health**2011- Present**

- Supervises and monitors care quality
- Educates the staff on Clinical Conditions
- Monitors HEDIS performance
- Assists with direct Patient care as needed

Medical Director, Senior Care Partners/NAMM**2013 – Present**

Responsibilities include RAF/Coding Education/AHA completion, case management/CCM, utilization, HEDIS, Palliative care enrollment.

Accomplishments include:

- Stars rating increased steadily from 2.5 to 4.0
- Reorganized the case management department resulting in improved employee morale, improved patient outcomes, decreased ER visits and hospitalizations.
- Streamlined our SNF and home health network by selecting and developing relationships with preferred providers
- Developed relationships with the Medical Directors of Cigna/Healthspring & Humana
- Contributed to the development and implementation of LCDO Quality Initiatives for Optum
